

Submission of a revised abstract

- 1) Go to the **PIConf website** (<https://piconf.net/>).
- 2) Press **Register&Submit** button.
- 3) In the new window that appears, click enter your **credentials** (email and password).

The screenshot shows a web page titled "Registration & Submission" with a background image of a coastal town. The page prompts the user to "Please sign in for your conference participation". A "Sign In" form is displayed, featuring a "Forgot Password Reset" link. The form includes two input fields: "username or email" and "password", both highlighted in yellow. Below the fields is a blue "Login" button, a "Remember Me" checkbox, and a link for "Don't have an account? Create an Account".

- 4) If you have already got review(s) and the **status of the abstract is still Pending** (has not been set to Correction Needed or Accepted), you can change the title, the content as well as the abstract keywords by clicking **Edit**. The reviews are available in the column Review.

6) In the form that appears, correct the abstract as requested by the reviewers. Enter the title of your abstract, replace the existing text describing the submission rules with your improved **abstract** (please check the numbers of words used and words remaining because the maximum of 250 words is allowed), insert the **keywords** (separated by commas). Besides, select the **topic**, enter the data about the **authors/co-authors** and the **presenter**. Do not forget to agree with the **Terms and Conditions**. Click the **Submit** button.
